

Offer premium, value-based care to your clients at **no additional cost!**

Iora Primary Care is specifically designed for adults on Medicare. **Here are the Iora benefits for you and your clients.**

For You:

BETTER RETENTION

Iora's higher than industry average retention rate results in better retention for your book of business. No more spending time finding clients a new doctor or plan year over year.

SUPPORTING YOUR BUSINESS

We have a Broker Support Team ready to answer any questions you have at 800-482-4672 or by email at agent@ioraprimarycare.com.

REDUCING SERVICE CALLS

We spend more time with our patients and help them navigate the healthcare system. We help with questions that might otherwise come to you. Let Iora support your clients so you can focus on growing your business.

MULTIPLE CARRIERS *(And Supplemental Plans)* ACCEPTED

We've expanded our carrier network, giving your clients choice AND better care! Plus, we take Original Medicare with and without Supplemental Plans.

For Your Clients:

TIME WITH YOUR PROVIDER

We schedule our patients for 30 minutes or 60 minutes, whatever is needed. We go beyond the symptom or the written list to focus on the human being in the room.

TRANSPORTATION

We offer transportation for patients who need it. This is above and beyond any transportation benefit the patient receives on their insurance plan.

VALUE-BASED CARE

We prioritize the patient's health goals, and focus on preventive care. We provide services not available at a Fee-For-Service doctors office, like an entire care team.

REFERRALS ARE ALWAYS IN NETWORK

Iora has no specific network. We refer patients to specialists within their network and with zero additional cost on their Medicare plan. Iora is not an HMO.

AVAILABILITY

We offer same and next day appointments for acute needs and 24/7 access to a provider by phone. We have flexible care options based on what the patient requests.

CARE COORDINATION

Our care team works with the patient's entire health network including specialists, insurance plans, and caregivers.

A Better Onboarding Experience

Let us give your client a great experience:

Use the "Refer a Client" form at iorapriarycare.com/medicare-agents/ or call our Broker Support Team at 800-482-4672.

When you contact us, we will:

- List you as their agent within our records system
- Welcome your client to lora
- Answer questions your clients may have
- Schedule their initial appointment

Medicare Agent Resources

At loraPrimaryCare.com click the "For Medicare Agents" link for:

- Carriers we accept in each market
- Bios for our providers
- Maps and addresses for our practices
- Videos of patient testimonials and our practice tour
- The "Refer a Client" form which records you as the agent for your referred client

Take The lora Challenge

Tell 5 clients lora Primary Care patients get 60 minute appointments with their care team.

Tell your clients you can help their friends join lora too!
